

WISE 37 Minutes

Meeting #1

Fall 08

Sept. 30, 2008

6:10 We started late. ☹

- Meet and greet!

6:20 Matt's Quick notes!

- Discuss Measure-B and possibility of pro. and con. guest speakers
- Fall Convergence in San Francisco State Oct. 24, 25, 26
- Volunteering at Environmental Landscaping event on campus for free access

6:25 Peter shares CSSC experience over summer!

- 'Twas a leadership retreat, grassroots oriented, empowering and super!
- To be continued and applied next week...

6:30 Mercedes shares Powervote!

- What is it?
Non-partisan youth led campaign for green agenda
- Who is behind it?
Energy Action Coalition and a lot of other cool people
- What can we do?
Table, Class Raps, Events and lots of other things...
- Want to do it?
Vote to take place next week after individual research

6:40 Project Organic Video

- David, Mercedes and Seema get on it! And finish soon.

6:48 WISERS discuss Real Food Pledge

- Talk to Patrick and ask to sign a pledge that guarantees 20% "Real food" in cafeteria by 2020.
- Real food is, locally grown, supporting social justice and super!

6:55 Devin shares info. On Internship!

- 10 week long job offer run by Joe Cook
- Working to organize info. That can help determine how sustainable the campus really is.
- WISERS care because on "stars" system it can be used to help forth new green projects like carpool!

7:00 DASB Sub committee for Sustainability on campus

- \$\$\$!!

WRAP-UP

- Pro, Con speakers on Measure-B to attend future meetings is a GO
- Info on CSSC convergence in SF to be emailed to those interested. (Thanks Matt)
- Sustainable Landscaping event to be taken on individually (look it up!)
- Video...GET GOING!
- Power Vote, to be voted on next week after research
