- Here are some super ideas for change at DeAnza that we can take on in the near future. Take a look at them and think of a concrete way we could string them together to make them happen!
  - Eco-Pass
  - Real Food Challenge
  - Improve Cafeteria Sustainability and Food Options
  - Enforce a Smoke Free Campus

- More Bike Racks
- Better Textbook Options
- Improved Tutoring Services
- Green Fee

-Things to remember that we want to tackle while working on this goal:

- Unite the active school clubs behind one goal.
- Promote awareness of things going on at DeAnza to the "average student" and ways they can help as individuals
- Promoting the arts as a tool to unite students and staff alike
- KILL APATHY

\*\*Cool idea: get a club blurb (mini column) as part of La Voz where clubs take turns sending out a message!\*\* -and some free ice cream for everyone?- Who is with me?!?!
